Filesize: 2.97 MB

### ***Reviews***

*Comprehensive information for book lovers. This is for all who statte that there had not been a worth studying. Its been printed in an remarkably simple way which is simply following i finished reading through this pdf where actually modified me, change the way i think. (Rebekah Smith)*

**WRITING ON THE BODY: FEMALE EMBODIMENT AND FEMINIST THEORY (PAPERBACK)****DOWNLOAD**

Columbia University Press, United States, 1997. Paperback. Condition: New. 7th ed.. Language: English . Brand New Book. In many fields, the body is the topic generating exciting new research and interdisciplinary inquiry. Feminist theorists, in particular, have focused on the female body as the site where representations of difference and identity are inscribed. Drawn from a broad range of disciplines, *Writing on the Body* explores the tensions between women's lived bodily experiences and the cultural meanings inscribed on the female body. The volume includes classic and contemporary essays on rape, pornography, eroticism, anorexia, body building, menstruation, and maternity, and challenges racial, class and sexual categories. Complemented by the editors' introduction, *Writing on the Body* is a comprehensive sourcebook on the major theoretical positions and critical trends surrounding the female body.
