Your Low Self-Confidence Levels Are the Ultimate Obstacle Between You and Your Goals When you take charge of your life through this One-Week Confidence Challenge and the Included workbook questions, you can truly begin to supercharge the way you live your life. You can eliminate all internal obstacles and reach toward your relationship, professional, and creative goals. The One-Week Self-Confidence challenge fuels you with all the necessary knowledge about what actually affects and formulates your current self-confidence levels: certain events in your childhood, ways in which your brain intakes information, and the current way you speak to yourself through daily interactions. It allows you, therefore, to understand that your low self-confidence levels are not your fault-but it is your fault if you don t take charge right now and initiate with this one-week self-confidence challenge. Ready Workbook Questions, Tips, and Challenges Help You to Maximize Your Self-Confidence Levels and Your Life. When you follow the necessary Morning, Noon, and Night challenges of each of the following seven days in the one-week challenge, you can begin to initiate yourself toward success. You can learn to wake up on the right side of the bed; you can learn to maximize your time at work, and you can learn to further your ready talents. Understand: Your Treatment of Your Outsides Inform the Way You Feel on the Inside. Through this one-week challenge, you ll begin to treat your exterior body well every single day through meditation, exercise, and proper hygiene. Through this exhibition of better treatment, you ll begin to inform your interior mind: you are worth it. You are so very worth it. After this one-week challenge, you won t refute...
