Sidestone Press, Netherlands, 2017. Hardback. Condition: New. Language: English . Brand New Book. Well, as for Nineveh, skipper, it was wiped out long ago. There s not a trace of it left, and one can t even guess where it was (Lucian, 2nd century AD). Nineveh, the once-flourishing capital of the Assyrian Empire, has fascinated writers, travellers and historians alike since its complete annihilation by allied forces in 612 BC. It was said to have been a great and populous city with 90-km walls, stunning palaces and colossal statues of pure gold. Since 1842 archaeologists have been investigating the ruins of Nineveh, which are located on the eastern banks of the river Tigris, near the modern Iraqi city of Mosul. The hundreds of thousands of objects that have been collected tell an intriguing story of life and death in a remarkable Mesopotamian city. The edited volume *Nineveh, the Great City* contains more than 65 articles by international specialists, providing the reader with a detailed and thorough study of the site of Nineveh. It describes the history of the city, the excavations and the dispersed material culture that can today be appreciated in more than 100 museums and institutes around the world. Special attention is paid to the endangered heritage of Nineveh, which recently faced destruction for the second time in its history. This lavishly illustrated volume is intended to appeal to readers interested in culture and heritage, as well as to students and professional academics. Contents: Preface Introduction Part I: Nineveh, Famous but Lost 1: Nineveh, Famous but Lost (Daniele Morandi Bonacossi) 2: Nineveh in the Cuneiform Sources (John MacGinnis) 3: Nineveh in Biblical, Ancient Jewish and the Earliest Christian Traditions (JURgen Zangenberg) 4: Nineveh in Classical Literature (Menko Vlaardingerbroek) 5: Nineveh in Western Art (Jan de Hond) 6: Early...
