

Overcoming Crystal Meth Addiction: An Essential Guide to Getting Clean (Paperback)

Filesize: 7.54 MB

Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Joy Langosh)

OVERCOMING CRYSTAL METH ADDICTION: AN ESSENTIAL GUIDE TO GETTING CLEAN (PAPERBACK)

DOWNLOAD

Marlowe Co, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. In *Overcoming Crystal Methamphetamine Addiction*, one of the few books to address the topic for a general audience, Dr. Steven Lee, MD, a psychiatrist who specializes in crystal meth addiction, offers a complete guide to the drug, its effects, and how to overcome it. Based on extensive scientific and social research and drawing from his professional experience, he covers everything from the definition and history of crystal meth to the physical and psychological effects; from dealing with the addictive personality to helping a friend or family member cope with it. He focuses on understanding rather than outright condemnation of the drug, and empathetically covers all of the crucial questions: What is crystal meth? How is it made? How does it affect the body? How do you know if you're addicted to it? How do you stop using it? What if you don't want to stop? If you are going to use CM anyway, how can you minimize the damage? What if you quit but slipped and used again?.
