Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 334 pages. Set designer Rowan Nemed maintains her freedom by carefully protecting her anonymity, staying firmly behind the scenes in the pressure cooker of the Hollywood film industry. As a rare sidhe, she is coveted by other supernatural beings: discovery means enthrallment. A spontaneous act of kindness during an awards ceremony chips away at that precious freedom by bringing Rowan to the notice of the supernatural community in Los Angeles, primarily vampire bodyguard Simon Bane and lion shifter Adrian Leopold. Business partners and best friends, Simon and Adrian each wants Rowan for himself. This is the first of three books in The Tree of Life trilogy. The book can be read as a stand-alone novel. Mature content not suitable for readers under 18. Content has been proofread, edited, and updated. This item ships from La Vergne, TN. Paperback.
