Tough Girl Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.E.D.G.E. Security is a covert international organization that handles jobs most governments won't. The operators are the elite of the elite, soldiers and spies, chosen for their skills and secrecy, and their ability to go beyond the edge. E.D.G.E. wants to recruit Navy SEAL Jake College Harrison but he's skeptical of the good he can do as an E.D.G.E. operator. His trial assignment is a simple recon mission with the target being the Russian mob. The only interesting aspect of the job is the sexy IT tech, but Jake doesn't want or need any trouble in his life and Dani has trouble written all over her. No one knows who Danielle Everett really is, beyond the fact that she works as a simple tech at E.D.G.E. Security company. The new hire who gets the operator job she covets, frustrates her as much as he attracts her, because he digs beneath her carefully constructed identity and she has to fight the urge to run. But when Dani's best friend goes missing, she uses the hacking and thieving skills she'd learned as a child to find her, but in the process alerts her enemies that she's still alive. Can she trust Jake to help her escape and save her friend, or will she push him to the edge of his control?.
