Born in 1958?: What Else Happened? (Paperback)

By Ron Williams

Boom Books, Australia, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the ninth of the 1950s and the fifteenth book overall to be released in a series of 30 about life in Australia - one for each year from 1939 to 1968. They describe happenings that affected people, real people. The whole series, to coin a modern phrase, is designed to push your buttons, to make you remember and wonder at things forgotten. The books might just let nostalgia see the light of day, so that oldies and youngies will talk about the past and re-discover a heritage otherwise forgotten. Hopefully, they will spark discussions between generations, and foster the asking and answering of questions that should not remain unanswered. In 1958, the Christian brothers bought a pub and raffled it; some clergy thought that Christ would not be pleased. Circuses were losing animals at a great rate. Officials were in hot water because the Queen Mother wasn't given a sun shade. School milk was hot news, bread home deliveries were under fire.
